STATEMENT ON TRUMP'S ASSAULT ON UNIONS

“ The time to escalate actions is NOW. The time to get union members into the streets is NOW. The time to defend the working class with all means at our disposal is NOW. ... The billionaire ruling class has dropped the mask and is coming for blood—our blood. ... Either we show them weakness, or we show them strength—and the working-class movement needs strength above all else. The future of the union movement will be defined by what actions we take now. ”
