Trump has wasted no time in launching attack after attack on the people and our movements. He has launched a war on immigrants, made the most serious attack on organized labor in decades, and embarked on a campaign to erase trans people. He is coming after long-held democratic rights won through struggle, like birthright citizenship, abortion rights, and free gender expression. His racist, misogynistic and homophobic "Make America Great Again" platform takes real problems caused by billionaires—such as soaring grocery costs, which will get even worse with tariffs—and pins the blame on the working class and oppressed peoples of the U.S. and abroad.

THE GOOD NEWS? THERE IS WIDESPREAD RESISTANCE AND THE TIME TO ACT IS NOW.

Freedom Road Socialist Organization's approach is to make this country ungovernable. At schools, we are organizing students, faculty and workers to demand that their universities do not comply with newly authorized ICE operations and declare themselves as sanctuary schools. In cities, we are organizing our communities to rise up and demand that mayors, city councils and public officials reject Trump and interference from his federal agencies. In workplaces and unions, we are determined to show a spine and wage campaigns against bosses and employers who are emboldened by Trump's pro-big business agenda.

WE AREN'T SCARED, AND WE AREN'T IN MOURNING. WE ARE SPOILING FOR A FIGHT. AND WE ARE LOOKING FOR ACTIVISTS WHO WANT TO FIGHT FOR THE LONG HAUL.

Capitalism, the same system that produced Trump and all the ills he represents, will continue to deepen poverty, bring oppression, and more wars. By building a fight against Trump, we can beat back the attacks and win. By joining the FRSO, you can fight for a new system and build a movement that will put political power in the hands of the working class in the U.S.—a system called socialism. Together, we will win!
